## Auditorium Information

### The Stage

The stage is an open concert platform  
19m wide at front, tapering to 12.3m at rear.  
The platform is 12.8m deep at the centre line with built-in stage lifts – the first of these at 5.5m from the front of stage.  
The platform is 1m high from the Stalls floor.

### Rigging

57 x 2-tonne points above stage and/or in roof with equipment available for hire  
Auditorium ceiling height 20m clearance above stage and 25m for PA points  
Note: Charges apply for a Rigger and additional truss, please ask for current rates

### Mixing Desk

We have 2 locations that the sound mixer can be situated  
**Large Desk Position:** 5.8m wide x 2.8m deep (Centre Stalls)  
**Small Desk Position:** 4.1m wide x 2.1m deep (Off centre back of Stalls)  
*Prior to the on sale the Hirer must indicate whether the event requires a small or large mixing desk, as this will affect the seats available for sale.*

### Plans

**Seating plans** for the auditorium available from Venue Scheduling Team  
**Stage, auditorium and rigging plans** (CAD or PDF) available from Technical Team

## Please Note

**It is the responsibility of the Hirer to notify The Bridgewater Hall of the following before signing the booking form:**

- of any activities that are likely to present risks, ie. strobe, fast flashing lighting, pyros, lasers, haze or other. These activities may require consent from Manchester City Council, early communication is advisable but does not provide a guarantee.
- of any Meet & Greet taking place in conjunction with the event, or, for instance, large choir that may require the use of additional spaces.

All prices quoted are +VAT

## Additional

### Security

We have comprehensive, 24 hour, security protocols in place. Each event will be individually risk assessed, security will be priced as a bespoke package. For an estimated costing please contact our Security Manager.

*The Bridgewater Hall will have final approval on the security provision and security operations on the event day.*

### Meet & Greet

Please note that there are capped capacities for Meet and Greets, and VIP Packages. The Venue Scheduling Team can advise you of the most appropriate location and associated costs.

*For larger Meet and Greets, one of our additional spaces may need to be hired. Please enquire at your earliest convenience to ensure that an appropriate room is available to avoid disappointment.*

### Merchandising

Merchandise space available in the Stalls Foyer by prior arrangement contact Venue Scheduling Team.

Note: Charges apply for a merchandise seller and commission (+ vat) on total sales

### Special Effects (including pyrotechnics)

If you wish to use special effects, you must notify ASM Global at least 30 days before the event date. The use of confetti and oil based hazers of all types is strictly prohibited. Please contact the Technical Department for further information, including the licensing requirements, and related costs and charges.

### Filming and Recording

Please contact Venue Scheduling Team for information on fees for filming, photography, audio recording, social media recording, publishing and broadcasting of material recorded at the Hall. T&Cs apply.

*The ASM Global Filming Agreement will be applied and includes the terms and conditions for filming, recording, publishing and broadcasting.*

### Corporate Hospitality

Hospitality packages available for a variety of concerts, please contact Conferences and Events Team on 0161 950 0000.
